## THE SOCIETY OF CHRISTIAN ETHICS

The purpose of the Society is to promote scholarly work in the field of Christian ethics and in the relation of Christian ethics to other traditions of ethics and to social, economic, political and cultural problems; to encourage and improve the teaching of these fields in colleges, universities and theological schools; and to provide a community of discourse and debate for those engaged professionally within these general fields.

A nondenominational scholarly association, the Society of Christian Ethics draws its 900 members from the faculties of universities, colleges, and theological schools primarily from the United States, Canada, and Europe. The growth and vitality of the Society of Christian Ethics reflects the maturing of the academic discipline of Christian social ethics.

The SCE promotes research concerning the history of ethics and moral theology, theoretical issues relating to the interplay of theology and ethics, methodology in ethical reflection and investigation, and comparative religious ethics. At the same time, the SCE addresses in national and global contexts problems in applied and professional ethics (particularly issues in biomedical fields), issues of economic justice, war and peace issues, and human rights/civil rights/minority justice issues.

Membership in the Society is open to persons in the following groups: (1) college, university, or seminary teachers of Christian ethics or social ethics; (2) persons teaching in similar institutions in other fields who are concerned with the relation of Christian ethics to their subject matter; (3) persons whose full-time professional work in church, government, social agency or elsewhere is related to the purposes of the Society. A prerequisite for membership is at least one of the following: a Ph.D. or equivalent degree or scholarly publications in the above-

named fields, or a full-time teaching position in ethics and/or related fields in an accredited institution of higher learning. Doctoral candidates in ethics and/or related fields who have passed all examinations preliminary to the writing of the dissertation may be student members of the Society for not more than five years.

Each year the Society holds its annual meeting in January for the presentation and discussion of scholarly papers, the reviewing of published works in the field, and the conducting of official business. The 1997 SCE meeting will be held January 10-12, at the Hyatt Regency Hotel, Cincinnati, OH.

Membership applications may be secured by writing to The Society of Christian Ethics, John H. Cartwright, Executive Director, School of Theology, Boston University, Boston, MA 02215. Telephone: (617) 353-7322.
